Relationship, relationship, relationship!

I believe that in any form of business, the relationship you build with your client is the most important thing. As a former youth pastor, I have learned the importance of building trust and understanding the needs of people.

My hope and dream is that I can be a person that really help people to achieve the best version of themselves. With that in mind, I know that you as my client will help me become the best version of myself.

As your realtor, I will go above and beyond to exceed your expectations. WE do not end in a transaction, the end of a transaction is the beginning of an amazing story that we are going to create together.

Buying VS. Renting

Buying a home can help you escape the cycle of rising rents

Rents have been rising **aggressively for decades**. When rents rise, you pay more, and that can make it even harder to save to buy a home.

With inflation high, landlords may be even more likely to increase your rents. Homebuyers can lock in a monthly payment for 15-30 years.

Data shows **72% of housing providers plan to raise the rent** on one or more of their properties.

Benefits of Homeownership

Mortgage interests and tax payments may be deductible.

Appreciation

While owning, the value of home may increase, giving you a larger return.

Equity

Builds Strong Credit

Price of Ownership

Health

Factors that may impact pre-approval

1. Income
2. Debt
3. Assets
4. Credit History
5. Employment

Benefits of Pre-Approval

1. It gives you clarity when determining your home buying budget.
2. Helps sellers know your offer is serious.
3. You can be more confident in your ability to secure a loan.

Things to Avoid After Applying for a Mortgage

Consistency is the name of the game after applying for a mortgage. Be sure to discuss any changes in income, assets, or credit with your lender, so you don't jeopardize your application.

- Don't change bank accounts.
- Don't apply for new credit or close any credit accounts.
- Don't deposit cash into your bank accounts before speaking with your bank or lender.
- Don't make any large purchases.
- Don't co-sign other loans for anyone.

Be the First One to Live in the New Home

Don't make a mistake by signing directly with the builder's on-site agent. You need an agent to represent you to help through the process. Take your own realtor with you to your first visits.

- Knowledge in the current markets
 - Exposure to many different builders and the process
 - Past Experience in new construction sales
 - Represent the buyer with the utmost fiduciary duty
 - Know-hows in the necessary upgrades. Don't over spend on unnecessary upgrades the builders may ask you to do

Positive: Professionalism, Responsiveness

JHT Group is absolutely amazing. We had been looking for a home to purchase for a few months and faced a lot of obstacles. The market was too competitive and we were about to give up on our search. Then we consulted JHT. JHT makes real estate super easy. The team leader Jin is highly competent and professional. Our agent Allen was attentive, speedy, and dedicated to our search for our dream house. We closed escrow yesterday. We are thrilled to have worked with JHT and recommend them highly for anyone's real estate needs.

It was our first time selling the house, and JHT has been exceptional in every way. They are responsive, caring, fair, and professional. They also helped us finding our new home. Selling and buying at the same time can be tricky to say the least, but JHT made it so easy for us. When it comes to selling or buying a house or both, reach out to JHT!!!

Very efficient, professional, and prompt. JHT sold my house within a week during the early quarantine period and have communicated superbly every step of the way. They also helped us get our new house which had 7 other offers, by moving quickly and being very responsive to both seller and our side, so we could close the deal as soon as possible. Buying a home in this market is challenging, especially during this time, but working with JHT made it as painless and as straight forward as possible. We highly recommend them. Everything went smoothly, and they were great to work with.

Buying a house during the pandemic can be nerve-racking but our first home buying experience was pleasant, thanks to Jin Hong and his team. The process was smooth and speedy; faster than we can keep up! JHT is passionate, knowledgeable, and understands exactly what the buyer/seller needs. Friendly staff was also a plus. We highly recommend JHT and hope your buying/selling experience is just as satisfying. You won't be disappointed!

Selling our home with the Jin Hong Team was exceptional! Everything went so smoothly and what I appreciated the most was their quick responses.

Since this is all happening during the pandemic, we were worried about prospective buyers visiting our home while we were still residing there. They eased our worries by providing all the sanitizing needs: masks, gloves, hand sanitizer, and even shoe covers were packaged in nice little one-time use packets for each visitor. They even taped a warning sign on the front door to make sure that everyone abided by the rules.

The no-hassle, online form-signing was also great. We would be notified via email for any new DocuSigns and only had to visit their office once for the final document signing.

They represented our home in the best way possible through great pictures and videos. Their 3D-walk through was amazing and they spent very little getting this done.

We purchased this home through them and sold the same house through them since we fully trust the team. Thank you JHT Group for your excellent service!
